

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of Southern California Edison Company (U 338-E) for Expedited Approval of Servicing Agreement between State of California Department of Water Resources and Southern California Edison Company Pursuant to Chapter 4 of the Statutes of 2001 (Assembly Bill 1 of the First 2000-2002 Extraordinary Session).

Application 01-06-044
(Filed June 25, 2001)

**ADMINISTRATIVE LAW JUDGE'S RULING
PROVIDING ADDITIONAL OPPORTUNITY FOR RESPONSES**

By ruling issued on June 24, 2002, the time for filing responses to the June 21, 2002 petition of Southern California Edison Company (SCE) to modify Decision 01-09-014 was shortened to the close of business on that day.¹ The shortened time was set in order to allow the Commission to act on the petition at the June 27, 2002 Commission meeting.

Pursuant to Government Code Section 11125.3(a)(2), a draft decision that would resolve the petition was added to the agenda for the June 27, 2002 meeting. The Commission subsequently announced that the item would be considered at a carry-over meeting scheduled for July 11, 2002. Accordingly, it is possible to provide additional opportunity for responses to SCE's petition.

¹ On June 21, 2002, parties in this proceeding and in Application 00-11-038, et al. were provided with notice by e-mail of the shortened time for filing responses to the petition.

IT IS RULED that:

1. An additional opportunity for filing responses to Southern California Edison Company's June 21, 2002 petition to modify Decision 01-09-014 is hereby provided. Responses to the petition shall be filed and served no later than the close of business on Wednesday, July 3, 2002. Responses shall be served electronically on Administrative Law Judge Michelle Cooke (mlc@cpuc.ca.gov) and on those persons on the service list who have provided e-mail addresses, and by first class mail or other expeditious mode of delivery to those who have not provided e-mail addresses.

2. This ruling shall be served on parties to Application 00-11-038 et al.

Dated June 28, 2002, at San Francisco, California.
